

Tamblyn is named after the Willson family's ancestors who migrated to Australia from Cornwall.

## TASTING NOTE

The Tamblyn blend expresses the characteristics of the different varietals, producing a complex flavour profile with a soft tannin finish; Cabernet Sauvignon provides the framework, Shiraz adds berry fruit weight, Malbec adds a perfumed lift and intense colour and the Merlot rounds out the palate. 44% Cabernet Sauvignon, 37% Shiraz, 12% Malbec and 7% Merlot. Suitable for vegans.

## VINIFICATION DETAILS

The components for Tamblyn were individually fermented in open top fermenters which allowed for optimal extraction of colour and flavour. The wine was matured in a combination of new and old French and American barrels for 18 months before blending and bottling.
