

NERO, CORIOLE

Vintage

2015

The grape variety Nero d'Avola was originally selected in southern Sicily and suits warm climates. Coriole produces a fruit-forward, early-drinking style.

TASTING NOTE

Displays a bright, generous nose of berries and sage flowers, with a touch of cassis. These carry through to the palate, which is fruity and light to medium bodied with soft and silky tannins.

VINIFICATION DETAILS

Grapes were both machine and hand harvested. Fermentation took place in concrete tanks with a combination of plunging and pumpovers. The wine received no oak contact.
