

PETER'S VISION, CATHERINE MARSHALL WINES

Vintage

2017

Cathy Marshall's Peter's Vision is styled around the fruit paradigm grown in a cool, maritime climate prevailing in the Elgin Valley.

TASTING NOTE

Classic, restrained elegance with a mouth filling fruit core and is seamlessly poised with pronounced aromatics of fresh black plums, mulberries, violets and pencil shaving minerality. Tannins are supple and well-structured with fresh acidity to support an opulent mid palate for texture and balance. Composed of 57% Cabernet Merlot and 43% Merlot.

VINIFICATION DETAILS

Bunches were de-stemmed and slightly crushed. Berries were hand sorted at the crusher. The mash was soaked overnight in 500kg batches before yeast activity began where colour and tannin extraction occurred. A commercial yeast strain best suited to these two varieties was inoculated and fermented in open top vats. Juice and skins were punched down, (pigagé), and turned daily to control even heat distribution between the skin cap on top and must juice below for 20 days. Post fermentation maceration lasted three weeks for tannin polymerisation. Once fermentation was completed, the vats were tasted and selected on tannin and flavour attributes and manually pressed in an 800kg capacity stainless steel basket press. The vat combinations selected were kept as separate fractions to create as many blending profiles as possible for the final assemblage. The wine was matured in 2nd and 3rd 225 and 300 litre French coopered casks for 17 months. Selected casks of both varieties were blended 57% Cabernet Franc 43% Merlot and lightly filtered to bottle.

TECHNICAL ANALYSIS

Alcohol	Residual sugar
14.5	2.5
pH	Acidity
3.63	5.5
