of the region, fruit driven, soft and approachable wines.

Part of the Kirrihill 'Regional Series', characteristic

#### TASTING NOTE

The 2022 Riesling is a bright and refreshing style with lifted lemon, zesty pineapple and fresh lime aromas. The crisp acidity on the palate pairs with the pure fruit expression leaving a crunchy mouth-watering finish.

## VINTAGE CONDITIONS

Very good winter rains were followed by a cool spring with good rainfall, a very cool summer and a dry, warm autumn that enabled fruit to ripen and show impressive flavour profiles.

### VINIFICATION DETAILS

With the Riesling grapes picked in the early morning, when the temperatures are at their coolest, crushing and pressing of the chilled fruit occurred immediately with the aim of limiting any skin contact. After cold settling, the clean racked juice was then fermented in temperature controlled stainless steel tanks. It was then chilled immediately after fermentation to retain and protect the varietal aromas to remain pristine until bottling in mid 2022..
